

# 2024

# Annual Report

Since 1993, Cancer Support Community of Greater St. Louis has offered professionally led support groups, educational workshops, healthy lifestyle programs, social opportunities, and resources, all **at no charge**, to those looking for hope and support. In 2024, CSCSTL provided free support and programs to **1,361 individuals** impacted by cancer through in-person, virtual, and telephone support.

This year, we also continued to grow our **Families Connect** and **Jason Brightfield Young Adult Programs**, including expanding into off-site programming at Aloha Mini Golf, the Gentle Barn, and Rusted Spur Stables with 127 visits across all programs.
