*More than  
1,400 sessions of  
programs offered*

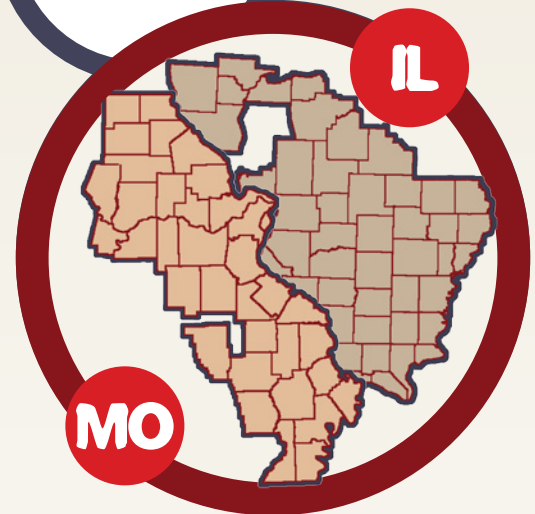

**4,700**  
HOURS

*4,700 hours of  
programs and  
services provided*

*Developed self-care  
kits for children and  
adults with tangible  
items to use at home.*

**2022**

*Expanded to hybrid  
programming, allowing  
CSCSTL to reach more people  
in Missouri and Illinois*

**CANCER SUPPORT  
COMMUNITY  
GREATER ST. LOUIS**

## In 2022, CSCSTL continued expanding programs and developing new ways to serve more people:

*Partnered with hospitals and community organizations to broaden access to healthy lifestyle nutrition classes/cooking demonstrations.*

---

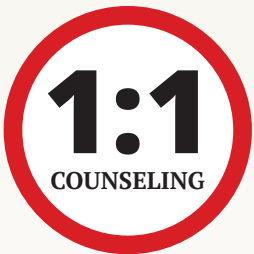

*Diversified programs to include:*

- ▶ *Spanish speaking webinars*
- ▶ *Education focused on cancer risks in African Americans*
- ▶ *An additional bereavement group specifically for young adults who have lost a loved one to cancer*

---

*Implemented short-term 1:1 counseling, open to any of our participants.*

*We provided 100 clinical support sessions valued at more than \$12,000, all free of charge like all of our programs.*

*The financial burden of cancer makes our short-term individual clinical support an integral part of cancer care.*
