Hope After Dark

A Day to Give. A Night to Celebrate.
October 8, 2026

Cancer Support Community of Greater St. Louis' fall campaign celebrates **HOPE** after the darkness of a cancer diagnosis. The campaign is a combination of **A Day to Give** match day on October 7 that culminates in **A Night to Celebrate VIP Sponsor Event** on October 8, where our campaign sponsors can enjoy an evening of celebration.

Night to Celebrate:

Thursday, October 8th
6:30-9:30 PM

The Coronado
in Midtown
3701 Lindell Blvd #147, St. Louis, MO 63108

Each year, CSCSTL honors someone for their cancer-related philanthropic commitment to St. Louis.

We are pleased to present the **2026 Marsha Wolff-Tina Borchert Inspiration Award** to **Cancer Support Community of Greater St. Louis' Professional Advisory Group.**

Health is a state of complete physical, mental, and social well-being, and not merely the absence of disease. A comprehensive approach to wellness includes addressing the mind, body, and spirit - all to improve quality of life. CSCSTL provides **programs to anyone impacted by any type of cancer at any stage of the cancer journey at no charge.**

Our professionally led programs include individual support and support groups, educational workshops, stress management and healthy lifestyle programs, social opportunities, and resource and referral, all provided at no cost to participants.

All of our programs are exclusively funded by donations from individuals, family and private foundations, corporations, special event fundraisers, and our annual **Hope After Dark** campaign. All donations stay in the St. Louis community and help fund our essential programs and services, proving that, together, **St. Louis is Stronger than Cancer.**

As a **Hope After Dark Sponsor**, your support makes all of this possible. **THANK YOU!**
